

8. "Diriyadaru Pranama" Scholarship Programme

The "**Diriyadaru Pranama**" **Scholarship Programme** has been implemented continuously since **2002** with the primary objective of recognizing and rewarding the academic achievements and talents of the children of members.

Through this programme, students who successfully pass the **Grade 5 Scholarship Examination** and those who qualify for **university admission** after passing the **G.C.E. Advanced Level Examination** are recognized and encouraged in pursuing their higher education. The programme serves as both an incentive for their future educational endeavors and a tribute to their outstanding academic accomplishments.

This social development and welfare initiative has become one of the Society's most popular programmes.
